The transfer credit posted above is based on our review of your official transcripts and/or exams. We also have made the

completed Credit Summary information available to your dean's office and major department. We recommend that you contact an adviser in one of those offices shortly before the beginning of Registration Pass 1 enrollment for Winter Quarter to learn how this credit will apply toward your graduation requirements. We hope that you will find the Credit Summary to be a valuable tool as you plan completion of your degree at UC Davis. **We suggest that you print this credit summary for your personal records as your credit summary will not be available online after December 8, 2023.** Any questions should be submitted to the [Record Correction request form](#).
